## WARDROBE

Where something you feel great in that compliments your artistic style & song choice. You want to be free to move and spend a few hours in your performance outfit.

Avoid clothing that distracts from your performance or limits your movement (e.g. mini skirts, uncomfortable shoes). No flip flops or clothing with profane or political text/images.

Please pick something to wear within the above color palette. **Patterns are fine as long as it is not tiny print, which may cause your videos/pictures to have a blurring effect.**

If you have any questions, please contact Melissa.
